### Profile

Conscientious and flexible high school earth science teacher with two years of experience. Eagerly seeking a teaching position within the Omaha Metropolitan area.

### Experience

*January 2022 – Present*

High School Science Teacher • Booker T. Washington High School • Norfolk, VA

- Currently teaching earth science and oceanography courses to over 150 students.
- Consistently maintains an average student proficiency rate of 70% on district mandated unit tests, versus the Norfolk Public Schools district average of 50%.
- Creates and maintains lesson plans for the earth science team that align to the division's curriculum.
- Addresses relevant curriculum standards with learning objectives that are clearly defined to include conditions, behavior, and criteria for success.
- Uses a variety of appropriate instructional strategies and resources to encourage active student engagement.
- Builds meaningful relationships with all students anchored in affirmation, mutual respect, and validation, utilizing culturally responsive teaching practices.
- Works in a collegial and collaborative manner with administrators, other school personnel, and the community to promote students' well-being, progress, and success.
- Participating in the New Teacher Coaching model through Norfolk Public Schools.
- Currently sponsoring a book club promoting student literacy.

*October 2017 – January 2019*

Crematory Operator and Funeral Assistant • SCI • Hampton, VA

- Cared for the deceased and their loved ones throughout the grieving process, while working collaboratively with colleagues to ensure client needs were met and deadlines upheld.

*2012 – 2016*

Cryptologic Technician-Maintenance • US Navy • Norfolk, VA

- Served as lead maintenance technician while assigned overseas to troubleshoot, repair, and maintain sensitive military systems.
- Lead military training as an Assistant Educational Petty Officer.
- Maintained a positive, encouraging, and supportive environment while serving as the Vice President of Navy Information Operations Command's Diversity Committee.
